

## **L A Celli Group Inc, LLC**

### **Lawrence Celli**

Larry Celli has been an active participant in the recruiting, staffing, and executive search industry since 1983. His entrée into the profession began after eight years of service in the US Marine Corps as a commissioned officer.

Larry's primary area of focus has been in building large systems integration firms and emerging technology companies. Larry has worked for corporate, retainer and contract firms for both Commercial and DOD clients. He has significant experience in Management Consulting, Information Technology, Professional Services, Telecommunications, Business Intelligence, Biotech, Supply Chain, and Financial Services industries. Positions have been at all different levels and are cross industry and function.

Earlier experiences include both corporate and external consulting engagements for Dunn & Bradstreet Software (formerly MSA Software), DPSC International (formerly Corporate Development Systems and a large national IT consulting and project management firm. Larry started his career in the Health Care Industry serving as Physician Network and Recruitment Manager for Hahnemann University and Medical School, now owned by Drexel University,

As a retired Marine Corps Officer, he leverages his leadership experiences and assessment skills when evaluating and selecting the best business leaders for his clients.

Larry received his Bachelor of Arts Degree from LaSalle University and a Master's Degree in Organizational Dynamics at the University of Pennsylvania.

He is an avid volunteer for the Veterans Administration and American Legion.

Married, with two children, Larry resides in Maple Glen, PA. And is an avid supporter of veteran issues, physical fitness enthusiast and Veterans Administration volunteer.
